Kashif
CHORUS

We're cruising down on LA Nights, LA Nights, LA Nights
All them shawty's imma make em' mine, make em' mine, make em' mine
On the freeway, On the freeway, On the freeway
I'm switching shawty's like i'm Changing Lanes, Changing Lanes, Changing Lanes
Cruising down on LA Nights

PeeZee
VERSE 1

Hoppin' on the 60, fresh outta the IHop
Server looking cute so I made her eye pop
Said I'm On my way Zion in a rag Scion
Hittin waves like Slick Dogg G-Style Pop
Blu got the heat on the passenger seat
I'm a horse so don't you try to Hacienda me
I'm a rider to the core switching lanes like shorties
Don't you get it twisted I ain't kissing randomly
Hittin' curves when I speak some fluid french
Gotta ranch in the Heights and loft in France
Many plates upnorth a house in Cali
Switching lifestyles like cars in a rally
From the 495 to the 101
Before '95 I learned rap's 101
So be ware when you switch lanes in this rap game
Cause I came and pulled out my gun on one

Kashif
CHORUS

On the freeway, On the freeway, On the freeway
I'm switching shawty's like i'm Changing Lanes, Changing Lanes, Changing Lanes
Cruising down on LA Nights

SNAXX

Enjoy the Cali sun, feel some of that Pacific breeze
I'm livin life fast as a Ferrari while you live it at a Honda Civic speed
Hell yeah shortie wanna get physical, she can't control her emotions
As I take it to the hills, straight to the boulevard then roll right back to the Ocean
Once I put my wheels to motion, ain't no way to stop
I like my girls similar to convertibles here she go takin away her top
But this won't last forever not gonna wife you or change your name
Cause I'll be switching shorties like I be changin lanes

Kashif
